**Total Due**

By registering for this production, each cast member and their legal guardian consents to the use of his or her likeness in photographs or video taken by PYT for advertising and other promotional purposes without payment.

The basic costs to participate in this production are outlined above. This payment does not include such optional expenses as cast party attendance; show t-shirt, mug, tickets, photos, shoes, undergarments, etc. These items will be expensed separately. Person signing this form is accepting responsibility for payment of all fees incurred during the course of the production.

PYT's acceptance of this payment is our commitment to your child's casting and performance in this production; PYT can make no commitment regarding specific roles. Your child's commitment to PYT is to participate in our production fully. In addition to your child's regular attendance at rehearsals, learning of parts as scheduled and respectful attention to all PYT staff and adult volunteers, your family will be required to donate 25 hours of volunteer time, plus monitor two rehearsals and participate in load-in and strike, to assist with the production (15 additional hours for the second child and five additional hours per child for the third and fourth).

Should you or your child have any doubts about this commitment, please take time prior to next week's parent meeting to review the production schedule and your own schedule, and to make certain that the PYT commitment is right for your child and your family.

**PLEASE NOTE:**

Should your child decide not to participate, for any reason, you must inform the show's Producer in writing\* NO LATER THAN THE END OF THE INITIAL PARENT MEETING, in order to receive a prorated refund of \$215.00. PYT will retain \$50 of the registration fee per child dropped toward expenses associated with the casting process.

**By signing and submitting this form I signify that I have read and understand the PYT refund and conflict policy, and would like my child to participate in this production.**

**Signature of parent or guardian:** \_\_\_\_\_
